HOW BIG IS YOUR PUMPKIN?

# ROLLER'S WRAP UP

## Pickin' at the Farm

*What a wonderful field trip we had this week at the farm. We learned about pumpkins and how they grow and smiled a lot. Thank you to all the moms, dads and grandparents who came out to help pick pumpkins, ride the tractor and play with us!*

### The Farm

Have you been to a farm? To pick, pet? What's your favorite?

## Classroom Updates:

*We had a crazy busy week and we were only in school three and a half days! We had Birds of Prey, the pumpkin patch and Farm Yard Bingo. A little bird tells me we are on the school Facebook page check us out!*

*Next week we will be diving in a little deeper to our farm unit and learning about the harvesting of all the many many things you can get from the farm. We might even Skype with a real farmer while he is at work!*

*Thank you to every parent who has signed and returned their parent confirmation of conference forms. If you have not signed and returned please do so by Monday. Please empty your child's folder every night. This way we know you will be getting all the information in a timely manner. There will be a new field trip permission slip in their folders this week.*

***Illness*** *The best thing about a kindergarten is they are so honest. They have not learned to hide the truth. It is CCSD policy that if your child has a fever they have to stay home for 24 hours before they can return to school. This is without medicine. Please think of the other students in the classroom, if you think your child is not well enough to be at school. We will miss them, but we need to think about the classroom community.*

***Water bottles need to be sent every week on Monday.***

***It is getting chilly outside. Please send appropriate attire every day with your child. Everyone goes outside with or without a jacket!***
